REVIEW OF OPERATIONS :

Your Directors are pleased to report that your company has achieved a turnover of Rs. 323.87 lakhs during the year under review (Previous year Rs. 401.19). The resultant gross profit of Rs. 106.41 lakhs before interest, Depreciation and Taxes, (Previous year Rs. 194.49). However with the inclusion of these elements of interest, depreciation and taxes, the picture is significantly different. Your Board of Directors have to regrettfully report a loss of Rs. 92.29 lakhs, the first time in the history of your Company.

BUSINESS OUT LOOK :

Your Directors are pleased to inform you that the company is awarded with GLP (Good Laboratory Practice) certificate on April 28, 1997. Formal audits were conducted for GLP compliance during September 1996 and finally in February 1997. GLP certification is a pre-requisite for marketing the Company's services abroad in the fields of Chemicals, Drugs and Bio-sciences.

Performance of your company during first quarter of the financial year is encouraging as the company is receiving a good number of enquiries from national and international clients seeking quality services. Given the same trend, your directors feel that the company's operating results and performance in the future would be much better.

DIRECTORS :

In accordance with the provisions of the Companies Act, 1956 and the Articles of Association of the Company, Two Directors namely Shri Raghu Cidambi and Shri A D Sinha will retire by rotation and are eligible for reappointment.

AUDITORS :

M/S J Venkateswarlu & Co. Chartered Accountants, Auditors of the Company retire at the conclusion of the ensuing Annual General Meeting. They have given their consent for reappointment and further stated that if appointed, their appointment will be within the limits specified under Section 224 (1-B) of the Companies Act, 1956.

PARTICULARS OF EMPLOYEES :

Disclosure of information as required under the provisions of Section 217 (2A) of the Companies Act, 1956 read with the Companies (Particulars of Employees) Rules, 1975 is enclosed hereto as Annexure -I and forms part of this report.

INFORMATION ON ENERGY CONSERVATION & TECHNOLOGY ABSORPTION :

ANNEXURE - II

Information on Energy Conservation, Technology Absorption, Foreign Exchange earnings and outgo :

(Forming part of the Directors' Report for the year ended 31st March, 1997.)

A. Conservation of Energy :

The Company is a service industry carrying on the business of Testing and Analysis of various materials and Environmental Impact Assessment studies of industrial and other projects. Testing is undertaken for various materials and different types of tests are carried out depending on the nature of material and the quality standards such as IS, IP, USP, BP, ASTM, AOAC, etc. Testing is done using different Testing Equipments. It may be that a particular material needs to be tested on different instruments for various parameters simultaneously as required by the customer. Most of the test equipments are micro-processor based and draw only requisite power.

Power is drawn by different equipments from a common source in the Lab. Besides this, Generator and UPS are used as back-up sources. Hence it is not practicable to quantify the power consumption of each equipment and for each test.

a) Energy Conservation Measures Taken :

- i) Designed and installed the power distribution system perfectly which will utilise the power at optimum level of requirement.
- ii) The Laboratory Building is designed in such a way that during day time, no artificial lights are necessary for majority of the rooms, which is being conserved for utilisation of equipment.

- b) Additional investment and proposals, if any, being implemented for reduction of consumption of energy :

At present no additional investments and proposals are required to be implemented for reduction of consumption of energy.

- c) Impact of the measures at (a) and (b) above for the reduction of energy consumption and

consequent impact on the cost of production of goods :

As a result of the measures at (a) above, the energy consumption is reduced to the barest minimum requirement.

- d) Total energy consumption and energy consumption per unit of production as per Form A of the Annexure :

Furnishing of these particulars are not applicable to this Company, as this Company is not carrying on any business which is listed in the Schedule to the Annexure to the Companies (Disclosure of Particulars in the Report of Board of Directors) Rules, 1988.

B. Technology Absorption :

As explained above, the Company is offering testing facilities for various materials and undertaking studies of Environmental Impact Assessment of Projects. The tests/studies are carried out as per the prescribed National/ International Standards. The Company has not taken up any Research and Development (R & D) activities due to the reason that it has to conduct the tests as per the prescribed procedures. However, the Company extends support to R & D programmes of Industry in trouble shooting and product development using the state of the art instrumentation and expertise available. In the same way, as the Technology involved in the testing is only testing of products as per the prescribed standard procedures/manuals, the disclosure of information in Form B of the Rules are not applicable.

C. Foreign Exchange Earnings And Outgo:

During the financial year, the company has earned foreign exchange of Rs. 2.40 Lakhs. Further the Company has incurred an amount of Rs.17.95 lakhs on import of Chemicals and Consumables, reference standard, travel expenditure and advertisement in foreign journals.

ANNEXURE TO THE AUDITORS' REPORT

Referred to in paragraph 1 of our report of even date

- 1 The Company has maintained proper records showing full particulars including quantitative details and situation of its fixed assets. The fixed assets of the Company have been physically verified at reasonable intervals during the year by the management and no material discrepancies between the book records and the physical inventory have been noticed.
- 2 The fixed assets of the Company have not been revalued during the year.
- 3 The stocks of finished goods, stores and spares and raw materials of the Company at all its locations have been physically verified by the management at reasonable intervals during the year.
- 4 In our opinion, the procedures of physical verification of stocks followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business.
- 5 There were no material discrepancies between the physical stocks and the book stocks.
- 6 In our opinion, the valuation of stocks of finished goods, stores and spares and raw materials is fair and proper in accordance with the normally accepted accounting principles and is on the same basis as in preceding year.
- 7 In respect of loans taken from companies, firms or other parties listed in the register maintained under section 301 of the Companies, Act, 1956 and/or from the Companies under the same management as defined under sub-section (1B) of Section 370 of the Companies Act, 1956, the rate of interest and other terms and conditions of such loans are not prima facie prejudicial to the interest of the Company.
- 8 The Company has not granted any loans, secured or unsecured, to companies, firms or other parties listed in the register(s) maintained under section 301 and/or to the companies under the same management as defined under sub-section (1B) of Section 370 of the Companies Act, 1956.

- 9 Interest free loans or advances in the nature of loans have been given to employees only who are repaying the principal amounts as stipulated.
- 10 In our opinion, there is an adequate internal control procedure commensurate with the size of the company and the nature of its business, for the purchase of stores and spares, raw materials, including components, plant and machinery, equipment and other assets, and for the sale of goods and services.
- 11 In our opinion and according to the information and explanations given to us, the transactions of purchase of goods and materials and sale of goods, materials and services, made in pursuance of contracts or arrangements entered in the Register maintained under section 301 of the Companies Act, 1956 and aggregating to Rs.50000/- or more during the year in respect of each party, have been made at prices which are reasonable having regard to the prevailing market prices for such goods, materials or services or the prices at which transactions for similar goods, materials or services have been made with other parties.
- 12 The company has a regular procedure for determining unserviceable or damaged stores, raw materials, or finished goods, on the basis of technical evaluation and on such basis, in our opinion adequate amounts have been written off of such stocks in the accounts.
- 13 The Company has not accepted any deposits from public.
- 14 In our opinion, reasonable records have been maintained by the Company for the sale and disposal of scrap where applicable and significant. The company has no by-products.
- 15 In our opinion, the Company has an internal audit system commensurate with its size and nature of its business.
- 16 In respect of this company, maintenance of cost records has not been prescribed by the Central Government under Section 209(1)(d) of the Companies Act, 1956.
- 17 According to the records of the company and as explained to us, there are no delays in depositing the Employees' State Insurance dues with the appropriate authorities. The Company is not regular in depositing the Provident Fund dues with the appropriate authority and the extent of arrears as at 31.03.1997 is Rs.402073/- and out of which an amount of Rs.206912/- was deposited on 03.06.1997.
- 18 There were no undisputed amounts payable in respect of income-tax, wealth-tax, sales tax, customs duty and excise duty outstanding as at the last day of the accounting period for a period of more than six months from the date they become payable.
- 19 During the course of our examination of the books of accounts carried out in accordance with the generally accepted auditing practices we have not come across any personal expenses which have been charged to profit and loss account, nor we have been informed of any such case by the management.
- 20 The Company is not a sick company within the meaning of Clause (o) of sub section (1) of Section 3 of the Sick Industrial Companies (Special Provisions) Act, 1985.
- 21 In our opinion, the Company has a reasonable system of recording receipts, issues and consumption of material and stores and allocating materials consumed to the relative jobs, commensurate with its size and nature of its business.
- 22 In our opinion, the Company has a reasonable system of allocating man-hours utilised to the relative jobs, commensurate with its size and nature of its business.
- 23 In our opinion, there is a reasonable system of authorisation at proper levels, and an adequate system of internal control commensurate with its size and nature of its business, on issue of stores and allocation of stores and labour to jobs.
